Dear Chairperson Pigsley,

CenturyLink values its relationship with the Confederated Tribes of Siletz Reservation and the opportunity to provide services that meet the needs of CenturyLink's customers located on Tribal lands. CenturyLink is striving to maintain a positive relationship with members of the Confederated Tribes of Siletz Reservation through ongoing communications and, as appropriate, periodic meetings.

As you may know, the Federal Communications Commission ("FCC") initiated steps to reform and modernize the federal universal service support system to ensure that robust, affordable voice and broadband service are available to Americans throughout the nation including those residing on Tribal lands.¹ In accord with the FCC's actions, late last year CenturyLink requested a meeting with representatives of your Tribal Government/Council to discuss the planning and potential deployment of services on Tribal lands as well as other areas of interest specific to conducting business on your Tribal lands. The FCC has advised that the following topics be discussed: (1) deployment planning with a focus on Tribal community anchor institutions; (2) feasibility and sustainability planning; (3) marketing services on Tribal lands; (4) rights-of-way processes, land use permitting, facilities siting, environmental and cultural preservation review process; and (5) Tribal business and licensing requirements.

In furthering our goal of strong cooperative relationships with our Tribal customers, and the FCC's goal of comprehensive engagement with Tribal authorities regarding telecommunications services, CenturyLink would like to once again extend an opportunity to meet with the Confederated Tribes of Siletz Reservation at your convenience.

While you did not request a meeting yet in 2014, CenturyLink truly appreciated that on March 22, 2013, your Administrative Manager, Sharon Edenfield, met with Scott Adolf (CenturyLink Area Plant Supervisor) and Karen Stewart (Local Government Affairs Director) to discuss the various topics outlined above and at the same time did a review of our Tribal Lifeline Product and Internet Basics program for low income families.

For your convenience, I am attaching a reply form and envelope to facilitate the return of your response. The reply provides the opportunity for you to identify the Tribal representatives that would attend the meeting as well as identify issues of interest to you regarding CenturyLink and the services we provide. Please respond at your earliest convenience so that we can set a meeting date. My office will be pleased to coordinate the scheduling of our face-to-face meeting and work to identify additional CenturyLink personnel as needed to address your specific issues.

Please contact CenturyLink at (503) 242-7989 or Karen.Stewart@CenturyLink.com with any questions you may have regarding this letter. We at CenturyLink look forward to meeting with the Confederated Tribes of Siletz Reservation and to continuing a strong relationship that is beneficial to all involved.

Thank you for your attention.

Sincerely,

A handwritten signature in black ink, appearing to read 'D. Bowers', is written over a horizontal line. The signature is stylized with a large loop at the end.
